

Wilds of the High Arctic

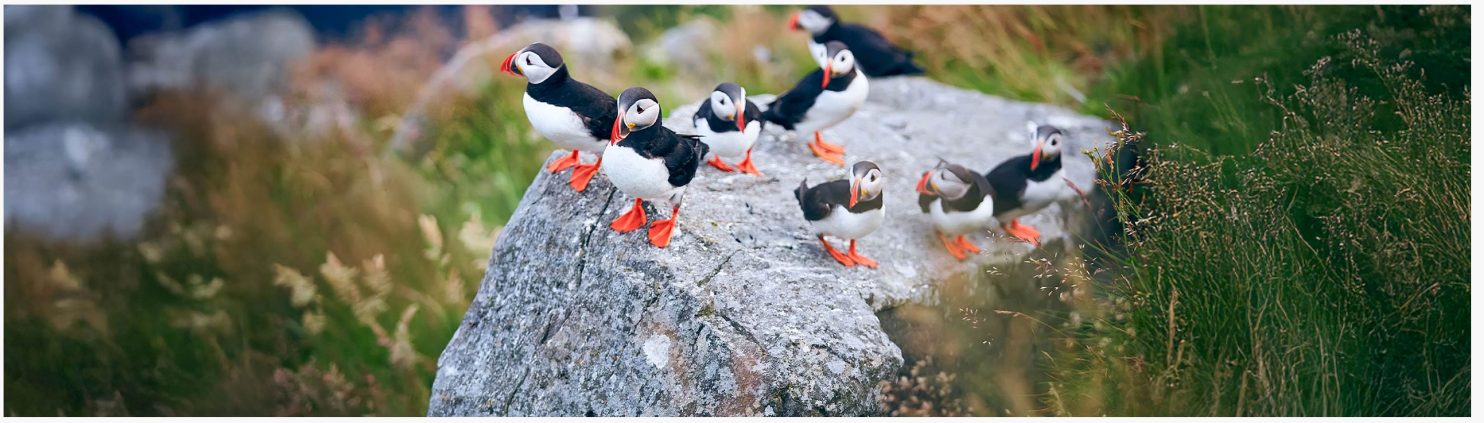

Longyearbyen Roundtrip

Expedition Type Polar	Yacht World Navigator	Embark/Debarck May 29 - Jun 5, 2026	Duration 7 nights
--------------------------	--------------------------	--	----------------------

The remote reaches of the High Arctic of Svalbard thrive with incredible wildlife, from the elusive polar bear to reindeer, whales, the Arctic fox and many other amazing animals. Rugged landscapes in isolated landings make for invigorating adventures through one of the most out-of-the-way regions of the world. As you navigate the stunning glaciers and fjords of Svalbard for an epic journey, keep your eyes peeled for possible wildlife sightings like large walrus haul-outs. Behold these magnificent creatures as they lounge on the rocky shores, basking in the Arctic sun. With the Midnight Sun overhead, experience daylight that never ends, creating a unique and surreal atmosphere as we navigate through these northern latitudes. Every moment on this Arctic expedition is crafted to awaken your sense of wonder and adventure.
